

Palestinian Authority President Mahmoud Abbas called on the [UN] to remove Israel as a member and compared the Jewish state to the Nazis.

Abbas specifically called on the UN to force Israel to adopt Resolution 181 (1947), which calls for the establishment of an Arab state “for the Palestinian people.”

Abbas denied any historical link between the Jewish people and the Temple Mount in Jerusalem, alleging that Israel “dug everywhere, and they could not find anything.”

“Ownership of al-Buraq Wall [the Western Wall] and al-Haram al-Sharif [Temple Mount] belongs exclusively and only to the Islamic Waqf alone,”

A precondition for peace is Israel's return to the pre-1967 borders, while also allowing Palestinian “refugees” to return “to their towns and villages of which they were displaced.”

Daniel 9:24-27

Seventy sevens are decreed = 490 years for Israel & Jerusalem

From the issuing of the decree: Artaxerxes 444BC

Until Anointed One (Messiah) comes:

Seven sevens = 49 years (restore & rebuild Jerusalem)

Sixty-two sevens = 434 years
