“But today, we finally acknowledge the obvious:
that Jerusalem is Israel’s capital.
This is nothing more, or less,
than a recognition of reality.
It is also the right thing to do.
It’s something that has to be done.”

I don't want to discuss religion or history because they are really excellent in faking and counterfeiting history and religion.

But if we read the Torah it says that the Canaanites were there before the time of our Prophet Abraham and their existence continued since that time – this is in the Torah itself. But if they would like to fake this history, they are really masters in this and it is mentioned in the holy Quran they fabricate truth and they try to do that and they believe in that but we have been there in this location for thousands of years.
