

Ramadan 2024 (1445AH)
March 11 – April 9
Fasting sunup to sundown

Hamas issued a warning to Israel on the terror organization's Telegram channel on Saturday, threatening an 'explosion' of rage should Muslim access to al-Aqsa Mosque on Jerusalem's Temple Mount be restricted during Ramadan. "Let our enemy know that souls are boiling... [our] anger is imminent... and an explosion is coming in response to any restrictions on the entry of Muslims to Al-Aqsa Mosque during the month of Ramadan," Hamas wrote.

The Islamist terror organization added that they called upon Palestinians "to mobilize and march to the blessed Al-Aqsa Mosque, to protect it from the desecration of the usurping settlers, and to thwart all fascist plans targeting the Holy Mosque and the Holy City."

January 4th – attack on Kerman, Iran

Over 100 killed

Islamic State takes credit & issues this challenge

Lions of Islam: Chase your preys whether Jewish, Christian or their allies, on the streets and roads of America, Europe, and the world.

Break into their homes, kill them and steal their peace of mind by any means you can lay hands on. Understand that you are the arm of the Islamic State hitting in the kuffar's [infidels'] homelands, and are avenging the Muslims in Palestine, Iraq, Sham, and other Muslim countries.

Solidify your plans and diversify the attacks: Detonate explosives, burn them with grenades and fiery agents, shoot them with bullets, cut their throats with sharp knives, and run them over with vehicles.

A sincere person will not lack the means to draw blood from the hearts of the Jews, the Christians, and their allies, and thus ease the suffering in the hearts of the believers.

Come at them from every door,
kill them by the worst of means, turn their gatherings and celebrations
into bloody massacres, do not distinguish between a civilian kaffir,
and a military one, for they are all kuffar and the ruling against them is one. ...
Intentionally seek easy targets before hard ones, civilian targets
before military one, religious targets like synagogues and churches
before others, for this will satisfy the soul and will demonstrate the
characteristics of the battle, as our battle with them is a religious one,
and we kill them wherever we come upon them in response
to Allah Almighty's command.
